(Sorry, no footwear available)

### TO PARENTS:

- Please send clothing & equipment already on hand, if possible.
- Every article should be labeled with permanent marker or a name tag (including footwear).
- A compact sleeping bag is essential for canoe trips.
- Most boys carry their belongings in a hockey (sports) bag and/or small trunk.
- Please leave extra space in the bag for packing at the end of your son's stay.
- A second light sleeping bag is advised if your son experiences enuresis.
- Have your son help with packing so he is familiar with what he has brought.
- Enclose this clothing list inside the trunk or bag. It will be used by your son and his counselor on packing day.
- The camp will provide lifejackets, paddles and other equipment to boys coming from overseas.

### MANY GOOD SHOES AND OTHER ITEMS OF CLOTHING ARE LEFT AT CAMP DUE TO LACK OF IDENTIFICATION.

"If your son has left an item of significance at camp, please call us immediately, on his arrival home, (613) 332-4125."

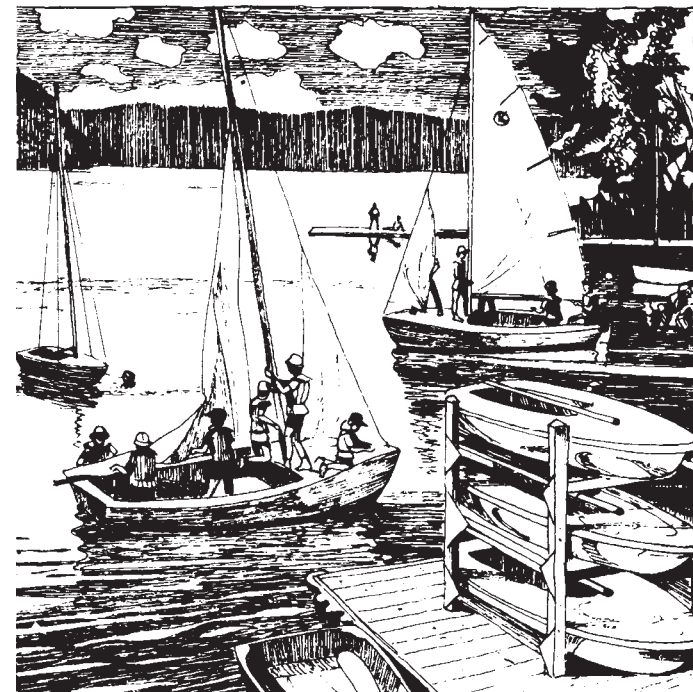

Please use a LAUNDRY MARKING PEN and mark all shoes on the underside of the tongue
