

SWIM COURSES FOR 15 YEAR OLD CAMPERS/CITS (who have already passed Bronze Cross)

We will offer a Water Safety Assistant Instructor course to our oldest campers and CITs again this summer. This course replaces the former Red Cross Aqualeaders course and now requires a teacher with extensive training. Christine Dinsmore, an Instructor Trainer from Toronto will teach and evaluate the course over 4 days throughout the month. The cost of the course is comparable or less than courses offered in Toronto!
