2012 Payment and Refund Policy

WE WILL HOLD A PLACE FOR EACH 2011 CAMPER UNTIL DECEMBER 1ST, 2011. PLEASE ADVISE US OF YOUR PLANS FOR YOUR SON, BY THAT DATE!

At the time of registration, with each camper application, a deposit of \$1000.00 is due, of which \$75.00 is a non-refundable fee. You may post date half of the deposit (\$500.00) to March 15th, 2012. Please make cheques payable to **Camp Ponacka** (in Canadian Funds). To avoid additional bank charges, please send international wire transfers in Canadian funds.

The final installment of fees and incidental expenses is due on **May 1st, 2012** for July campers and **June 1st, 2012** for August campers. A Remittance Form will be sent to you prior to these dates. Late fees will be subject to a penalty.

A boy *cannot be considered enrolled* (or on the Waiting List) unless his registration form and \$1000.00 deposit is on file.

If advice of withdrawal is received before March 15th, all fees will be returned except the \$75.00 registration fee. If advice of withdrawal is received before April 1st, half of the deposit will be retained but

\$425.00 may be applied to a 2013 registration. The other \$500.00 will be refunded. After May 1st, or June 1st respectively, the camp may retain the entire camper fee.

If a boy is unable to start camp on time or not at all because of illness, or if he leaves early because of illness, the camper fee is shared equally by parents and Camp.

There is no reduction in fees for boys arriving late or leaving early. If we cannot find a place for a boy on the Waiting List or if his registration is withdrawn for any reason before a place becomes available, all monies will be refunded. If he is offered a place but does not take advantage of it, \$75.00 of his deposit will be retained. Please be assured that cancellations due to circumstances beyond your control will meet with our utmost co-operation. We will certainly attempt to find a replacement camper and minimize your financial loss. However, we reserve the right to apply the above conditions.
